CIRCULAR FOR CLASSES MONTESSORI-I TO XI(i)

Dear Parents,

We welcome back our children from an enjoyable vacation and hope that the new term would be more exciting, enjoyable and productive in their learning experience.

We take great pleasure to inform that, as part of our continuous development plan, we have launched five new facilities to support quality enhancement in the academic arena during a formal launching ceremony on 6th September, 2014.

The school has introduced multimedia enabled teaching facilities and Teach-Next E-learning digital content in the Secondary and Sr. Secondary sections which will soon be extended to other classes to make learning enjoyable and meaningful.

The school website is made dynamic and interactive for effective communication with the stakeholders and for dissemination of information.

A new School Management and Information System [SIMS] is introduced to provide parents and teachers increased scope to interact more dynamically for the betterment of our children. It also gives access to the parents to the portal to track their wards progress on a real time basis ensuring a two-way communication. To enable you to access the SIMS, your Login ID and Password will be sent to your registered email ID with the school.

With the view for augmenting classroom instruction, SIS teachers have developed an e-learning portal. Children can access learning resources from the portal and learn at their own pace using the guest login ID provided to them earlier.

As per the directives of the Supreme Education Council (SEC), the transport fees have been revised with effect from 1st April, 2014. The revised fees are as follows:

Classes	Transport Fee (QAR) (Academic year 2014-15)
Montessori-I and II to class XI(i)	2375

The difference in fees for the 1st Quarter shall be paid along with the 2nd quarter fees.

Summative Assessment 1 for the Session 2014-15 will commence from the 17th of September, 2014 for classes III – XII as per the given date sheet. We would expect our students to work hard and prepare well to excel and wish them all the Best.

We would request you to extend your cooperation and support to enable us to achieve our vision of “Excellence with Uniqueness”.
